To the members of the
Cobourg Public Library Board:

Thank you for your kind
gift at the time of my
retirement: the magnets,
pen & journal will be a
great reminder of a job
I enjoyed for so many
years. I appreciate the
thoughtfulness.

Thank you Adam Bureau
for stopping by my last
day & presenting me with
the gift. Your support was
appreciated.

To Kevin, many thanks
also for taking the time to
be in the parade &
recognize my service.

To all of you for the kind
messages in the card,
which by the way, is
a perfect & fitting card.
I say thank you.

I gave my heart to the
community.

I think it was a job
well done.

Yours in Reading,
Rhonda Perry
