**Attention:** His Worship Mayor Henderson & Members of Council

Dear Mayor & Members of Council:

**Re: Petition for a By-Law to Prohibit Over-Night Parking on North Side of Frei Street**

The undersigned are the owners of the properties on the north side of Frei Street between the intersection of Frei Street and Glenhare Street on the east and the curve of Frei Street as it turns south on the west. We seek the passage of a By-law to prohibit parking of vehicles in front of our properties from the hours of 11:00 p.m. through 6:30 a.m. each day of the week, Sunday through Saturday, inclusive.

This petition is prompted by the actions of a neighbour at [REDACTED] Frei Street who parks his trucks in front of our properties constantly and most latterly, has left a pickup truck for over eight (8) weeks in front of [REDACTED] Frei Street and [REDACTED] Frei Street. Requests to remove the truck have been met with refusal. The police and the Municipal By-Law officer advise that they are not able to be of assistance because there is no by-law prohibiting such parking. Our street is not a parking lot. We ask in the interests of public peace and security that the requested By-law be passed to give to our Municipal By-Law officer and the police the authority they need to be of assistance.

Thank you for your consideration.

Yours truly,

[REDACTED] Frei Street
