to me

I would like to add my comments for Cobourg Council regarding the potential issues which will be incurred if the West Park development continues as is currently planned. **My major concern** is for the safety of all commuters and pedestrians that use Carlisle St. East as a main thoroughfare for their travels to/from this area in Cobourg.

With the on the street parking that takes place currently, the number of vehicles using the street, the pedestrian traffic, the seemingly narrow and curving roadway this street is an accident waiting to happen.

**This is before any additional vehicles and pedestrians are added to this street if this present poorly designed plan is implemented.**

An updated review of the present outdated **plan is an absolute necessity taking into consideration the needs and concerns of the residents.**

Thanks.
