

## **Les AMIS Presentation – January 7, 2020**

**NOTE: We intend to highlight the following:**

### **Michael Pepa**

COVID-19 presents us, Les AMIS, with a special challenge.

We plan to present concerts as follows:

1. Some only on line,
2. Some live – at The Loft and if possible at Victoria Hall,
3. All events on line even if they are presented live.

### **Ken Prue**

We have a mailing list of over 2,000 people in the Cobourg area. These are people who attend events at the LOFT and VICTORIA HALL. Because of COVID-19 restrictions, the LOFT is able to accommodate only 20 people in the audience, which is approximately 1/3 of its capacity. VICTORIA HALL is in the same situation.

However, the demand for live music is such that when the November 22 concert was announced it was SOLD OUT immediately. Violinist Lynn Kuo, familiar to Cobourg's audience, and composer / pianist Kevin Lau performed to a very appreciative audience. Les AMIS is grateful to these distinguished artists for agreeing to perform to such a small audience. Michael Pepa is fortunate to have such artists as his friends and musical collaborators.

Economically, it is impossible to hold musical events without financial support.

## **Michael Pepa**

For this reason, I have written GRANT APPLICATIONS to:

1. Trillium – for purchase of VIDEO EQUIPMENT so we can film our concerts as professionally as possible and upload them on YouTube so that our audience can see and hear them.
2. NEW HORIZON SENIOR PROGRAM – for producing chamber music events to be made available on line, at no cost, to senior residences in Cobourg while COVID restrictions are in place. Les AMIS artists will present live concerts at residences when it is safe to do so.

NOTE: Here are two examples of how we intend to present chamber music concerts to the Cobourg audience, and beyond, in the 2020 – 2021 Season.

**Ken Prue and Michael Pepa** will comment briefly.
