Ms. Mayor & Town Employees

Just a thought about fairness in
Cobourg

I live in a home with a surrounding
boulvarde which I am expected to
keep tidy, with 4 big heavy trees
built on Wilson, people have trees
in their back yards & the leaves
& crap that fall over the fence
just gathers on Wilmot as a tax
payer why aren't they capable of
walking around to the boulevard
& cutting the branches that are over
the fence, that are a danger to
people walking & clearing the leaves
???

Also you all thought you were due
a raise & have an idea you could
renow the trail at Lucas Point
Park which I have asked Mayor
since back to Peter Delanty
but as I told him all the matters
in this town is between the
library & Darcy st. & those east
of that just pay your taxes
& be quiet.

These branches that are through
the fence are a danger & if someone
misses a cue & get injured like
town could get sued.

There are enough Town Trucks
in up & down Wilson & there

all no "park sign" on Wilmot
but millionaires row on East House
have a new sign, "No Exit"
Take a tour its a beautiful
community, just needs a little
care.

Most residents walk in here
as well in neighbouring neighbours
come here as we have sidewalks

Thanks for listening
see you at the tax office
in May

Mrs Jean Wiebe

P.S. No online, laptop or cellphone
Its a beautiful life
