

	<b>THE CORPORATION OF THE TOWN OF COBOURG</b>
	<b>TRANSPORTATION ADVISORY COMMITTEE</b>
TO:	Brent Larmer, Municipal Clerk/Manager of Legislative Services
FROM:	Renee Champagne, Secretary
MEETING DATE:	December 14, 2020
SUBJECT:	Motion – November 26, 2020

The following Motion was adopted at a regular scheduled meeting of the Transportation Advisory Committee (TAC) held on November 26, 2020 for Councils consideration.

Moved by Member Harry Meester:

**THAT** the Transportation Advisory Committee believes strongly, that it is in the best interest of the community to extend the multi-use trail from the existing Kerr Street cul-de-sac west of Division Street thru to Ontario Street. A project that could be completed during the 2021 budget year, this highly desirable addition to the active transportation network, estimated at a length of 400 meters can be completed for a total cost not exceeding \$25,000.00.

**FURTHER**, that the project would accelerate and improve active transportation in the community for the well-being of the citizens of Cobourg. This would represent a significant and impactful linkage which is essential to the completion of the active transportation network in the Town of Cobourg.
