Position Title:	Communication	ommunications Co-Ordinator Reports to: Con			municat	ions Manager	
Division:	General Gover	nment	Department:	Com	Communications		
Start Date:	February 2024		Position Type	: Part-	Time		
Justification Category							
□ Council Request □ Organizational Review □ New Impacts ☒ Other							
Please explain	Please explain in detail:						
The demand on the communications department is growing due to the Town's commitment to community engagement, transparent governance, and the recent introduction of an Internal Communications Strategy. Staff are requesting the introduction of a Part-Time Communications Co-Ordinator to support the department with ongoing website maintenance, social media management and internal communications tactics. The growth of the department will allow staff to be more strategic with their communications programming, provide additional time for in person community engagement and the additional resources needed to ensure thoughtful and timely distribution of information.

Position Title:	Customer Service Representative	Reports to:	EA to CAO			
Division:	General Government	Department:	Customer Service			
Start Date:	June 1, 2024	Position Type:	Full-Time			
Justification C ☐ Council Reques	•	☐ New Impacts	⊠ Other			
Please explain in detail: Improving services for residents and customers: This proposal is a direct recommendation from the Town of Cobourg approved Customer Service Strategy. Through employee, stakeholder, resident, and customer feedback, the Customer Service Strategy provided recommendations on how front-line customer services at Victoria Hall can be improved and delivered efficiently and effectively.						
Making it easier for residents to access services they need and want: This staff member will be positioned at the Council approved Centralized Customer Service Desk						

located within the foyer of Victoria Hall. The introduction of this staff position will be pivotal for implementing a centralized service model to help streamline customer inquiries, increase efficiency, and improve overall customer experience. A centralized customer service model is a service delivery
