Summary of motions and activity to date

The costs of the effect of homelessness in Cobourg at the lower-tier level:

**September 2023 to June 2024 (Tod Date)
(unbudgeted):**

Cobourg Fire Department – \$56,000

Cobourg Municipal Law Enforcement - \$25,000

Total – \$81,000

**** Does not include the Cobourg Police call volumes and costs associated with responses which is all funded through the Town of Cobourg Tax levy.**

**** Does not include update in calls into front-line related to Encampment and social services requests to local Town Hall.**

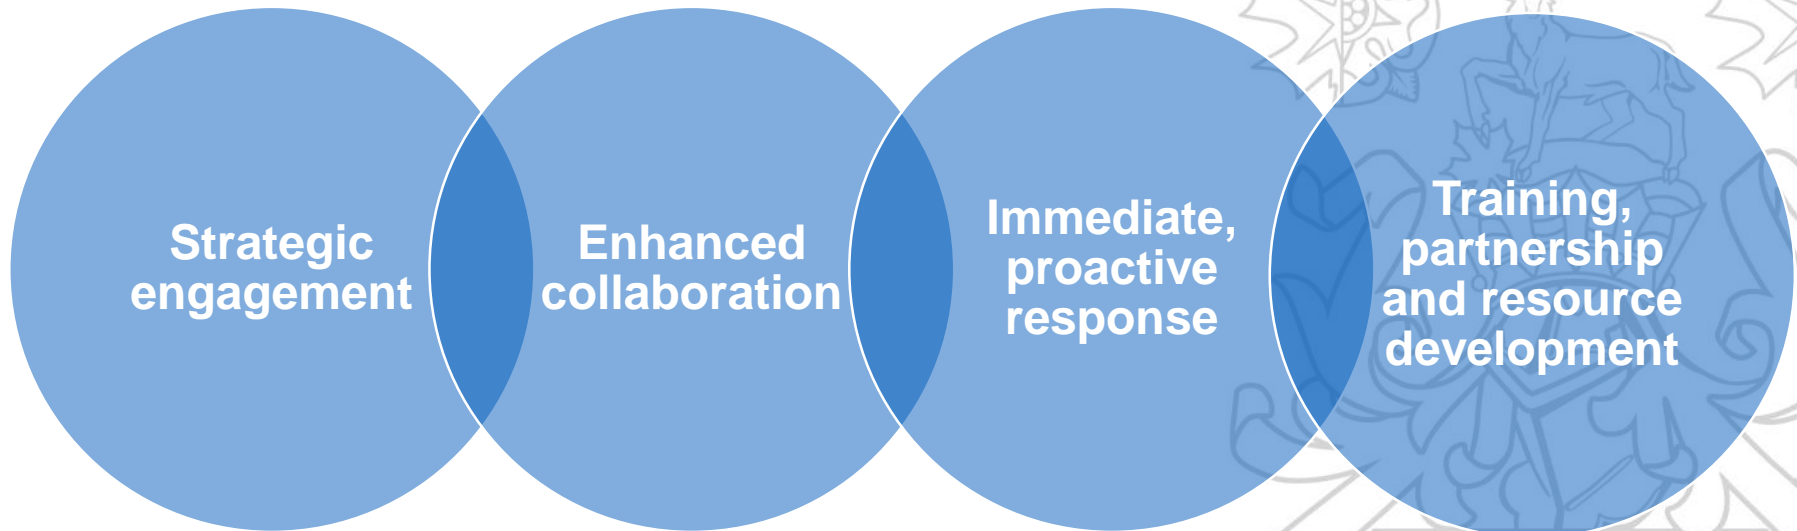

Key Request: Enhanced Collaboration

1. Join the Town of Cobourg in requesting support from the Province of Ontario to Cobourg, as a lower-tier municipality in receiving a portion of funding to offset the costs associated with Homelessness in the community which Cobourg doesn't receive direct funding as a lower-tier government.
2. Join the Town of Cobourg, in a joint delegation at the AMO conference on the broader impact of social service delivery on a lower-tiered municipality.
3. Provide Cobourg Council with an annual presentation on the deliveries of Social Services within the Town of Cobourg and what portion of county/provincial funding is being allocated in the Town of Cobourg to support homelessness and a commitment on early engagement on high impact Social Services initiatives in our community prior to commencement.
4. Add a Town of Cobourg representative to the Homelessness Coordinated Response Team (HCRT)

Future Considerations and Supports:

The Town of Cobourg is looking for the County to support:

Town of Cobourg Council wishes to work together to support all residents within the Town of Cobourg and we need the County as a partner.
