

MULTI-YEAR-ACCESSIBILITY PLAN

2020 TO 2024

- Meeting the requirements under the *Accessibility for Ontarians with Disabilities Act, 2005*.
- Objectives identified within the plan are short, medium, and long term with many actions ongoing to ensure accessibility in the Town.
- Regular monitoring is necessary to ensure that relevant initiatives are included in The Plan and that progress is identified.
- Outlines fifty-five (55) Actions for the Town of Cobourg to take under eighteen (18) objectives over the next five (5) years.
- These relate back to specific Standards and criteria set out by the Ontario Government with how we can meet - or exceed - those requirements.

WATCH FOR IN 2021

public participation

- More feedback and reporting
- Increasing public understanding and knowledge

design and development

- Auditing spaces for accessibility
- Creating barrier free pathways
- Creating our own best practices
