<p>21 October 24</p> <p>[REDACTED]</p> <p>VOTES 3</p>	<p>Eliminate any permissions for property owners replacing roofing.</p>
<p>21 October 24</p> <p>[REDACTED]</p> <p>VOTES 1</p>	<p>1. A simple correction to the preamble and the first "Whereas" section - it should read "the council of a municipality".</p>
<p>25 October 24</p> <p>[REDACTED]</p> <p>VOTES 2</p>	<p>2. Section 5.1 viii: I have suggested that among the exterior features we should add awnings and shutters to this listing. Our previous Heritage Planner had this comment: "I think the repair, restoration, or replication of shutters and awnings can fall into the fully delegated authority category if it is classified under a) Changes that are determined by the Director to have no significant impact on the property's heritage attributes. An instance where I would like CHAC input, however, is if an individual currently has a house with no shutters and would like to install new shutters to replicate what they claim to have been there in the past (let's say we do not have photographic evidence that the house did have shutters)." This seems like a sensible idea to me.</p>
<p>25 October 24</p> <p>[REDACTED]</p> <p>VOTES 3</p>	<p>Reduce time for council approval. 21, 60, and 90 days (respectively) are an unprecedented amount of time to wait.</p>
<p>25 October 24</p> <p>[REDACTED]</p> <p>VOTES 2</p>	<p>If you make home owners wait too long - or the process for approval too bureaucratic - many people won't bother</p>
<p>25 October 24</p> <p>[REDACTED]</p> <p>VOTES 3</p>	<p>Give homeowners greater freedom over the modification of their homes & make the process simpler, faster, and easier.</p>
<p>25 October 24</p> <p>[REDACTED]</p> <p>VOTES 3</p>	<p>Automate a process for pre-approved changes. Digitize the form and make it easy to understand in layman's terms. That way the council only has to spend time reviewing requests that are outside the ordinary. Most people want to make reasonable changes - and you'll have a greater record of those if you make this process easier.</p>

IDEAS

Draft Heritage Permit By-law - Ideas

10 November 24 [REDACTED]	VOTES 0	1. typo, page 1, 2nd WHEREAS, 2nd line, change " may" to "to". 2. page 5,3.0, 1, 1st line, change "situation" to"situated"."
10 November 24 [REDACTED]	VOTES 0	Bylaw 097-2009, 7, 1 (l) & 2 (k) delegates to Director consent for "any alteration that is not visible from street". Why is this removed? Bylaw 000-2024, 5.1,1 i, gives Director discretion for changes not affecting heritage attributes - are changes not visible from street included here?
14 November 24 [REDACTED]	VOTES 0	Digitize forms- have official paint colours automatically pre approved.
