To The Mayor & Council of Cobourg,  
Mr. Mayor Lucas Cleveland,

Dear Sir,

- I live in Cobourg and have used The Public Transit for over 10 years.
- I am also a senior citizen.
- I want to thank you for decision to restart the hourly Bus transit service in September 2024.
- It allows me more flexibility day to day as it depends on the weather and on my health to go out shopping & errands, appointments,
- I still use the "on demand" Bus service for church on Sunday.

again Thank You all

Sincerely

Sheila Slessor
