

February 18, 2020

Dear Mr. Larmer,

I am writing to let you know that I am resigning from my position as a volunteer with the Sustainability and Climate Change Advisory Committee effective immediately due to personal reasons.

I am grateful for the opportunity to have been a member of the SCCAC and to have worked with such a knowledgeable and dedicated team.

I wish the committee continued success in promoting the protection and awareness of the environment within the Town of Cobourg.

Sincerely,

Dale Randall
