

Draft Resolution to Council Re Global Heating Impact on Work Plans  
For Consideration at the April 7, 2021 SCCAC Meeting

WHEREAS on Dec 2, 2019 Cobourg Council declared a Climate Emergency conveying its recognition that we are facing an unprecedented crisis requiring unprecedented climate mitigation measures; and

WHEREAS the need to address this Climate Emergency should be reflected in all the work of the Town of Cobourg, including the work of Cobourg's Advisory Committees; and

WHEREAS the Sustainability and Climate Change Advisory Committee (SCCAC) has developed a process for identifying the impact of each Advisory Committee Work Plan 'objective' on Global Heating, as per the attached Appendix A;

NOW THEREFORE THE SCCAC Recommends that Council ask all Advisory Committees to apply this process to each of their 2021 Work Plan Objectives and record the results in a column on the far right of their Work Plan
