Dear Mayor Henderson and Members of Council,

On behalf of the Rotary Club of Cobourg I would like to thank the Town and the staff at the Cobourg Community Centre for all their assistance at the mass vaccination clinic. This is a tremendous success story and has a major impact on our community.

The Rotary Club of Cobourg is now embarking on a campaign to ensure our local community is one of the safest in the province to live, work, play and visit. Our COVID 19 committee plans to inspire residents of all ages to be vaccinated.

This is a fundraiser for Rotary and for a cost of \$10.00 residents can purchase a lawn sign that they can display on their property. The sign will promote the fact the resident has been vaccinated and urge others to do so.

We are requesting an exemption from the Town of Cobourg for a sign permit for this fundraiser.

Thank you for your consideration and continued support for ensuring the community is vaccinated against COVID-19

Best Regards

Gordon Ley
Chair, COVID -19 Committee Rotary Club of Cobourg
