3. DELEGATION REQUEST

General Nature/Purpose of the Delegation:

"Major Problem!"

(Clearly state the nature of the business to be discussed & provide a general summary of the information to be presented)

The Cigarette Butts are everywhere at the Beach & Parks, especially the parking lots. People do not care that they're littering. The ^{NON-Smoking} SIGNS, as you enter Victoria Beach are too small. The By-law Officers are not really ticketing neighbours & visitors. ^(For smoking & Littering) This is a major issue for our environment. The waste takes yrs to disintegrate. The Butts are eaten by our birds & fish. Our water is effected for yrs from the toxins. Smokers are upset, they want the freedom to smoke outside in a designated area with ashtrays. Cigarettes are the #1 most littered item in the world!

Recommendation to Council/Committee/Board:

(Please indicate below what action you would like the Town to take with respect to the above-noted subject matter)

- #1 - We need the fines for smoking & littering to be enforced!
- 2 - The Non-Smoking & No Littering signs need to be the same size as COVID signs.
- 3 - Our Feel Good Town needs ambassadors & volunteers to communicate & educate locals & visitors while walking the Beach & Parks on a regular schedule.
- 4 - Public Service announcements "Help the Feel Good Town, Look Good & Feel Good About Their Environment."
- 5 - Smokers need to clean up their Butts. High school students get credit for helping to clean up. All the non-profit organizations can get involved.
- I'm thinking we can get people out for walks & talks & clean-up (using the extended pick-up sticks).
- Using kindness & wanting everyone who litters to understand how important it is to keep our Community Clean?
